NEWCASTLE

Hunter Valley Traditional Archers will be holding their 6th Annual Charity Shoot.
Our Charity this year is: RONALD McDONALD HOUSE NEWCASTLE

Ronald McDonald House® Newcastle is a not for profit organisation giving the families of seriously ill children somewhere to stay close to the hospital while their child receives treatment. Our goal is to provide an atmosphere for the families and children where the familiar routines of family life can continue as much as possible.

The House offers compassion and understanding in a stressful and often frightening time. Our Family Room within John Hunter Hospital provides a comfortable haven and facilities for those families who may not need overnight accommodation, but a place to take a break and still be near their children. It is a 'home within a hospital' looking after over 600 families each month.

All proceeds from the weekend will go to Ronald McDonald House Newcastle.
